

Music for Autism

The musicians performed first two concerts at Prior's Court, followed by a further two at Castle School, meaning over 170 students were able to enjoy the experience. One parent, whose son attends Prior's Court School, came with her daughter to thank the team afterwards; "It was really beautiful, and such a pleasure to hear nice music. Our son really loves classical music, so this is a treat."

Thank you again to class 5 who made a lovely sheep which was presented to John by Chris McCague on a Happy Easter card as a thank you - the team were delighted!

The Music for Autism concerts were once again enjoyed by all and we hope to welcome John and the team back again soon!

Chris McCague presents a thank you card to John Lubbock
