New House Musical Evenings, 2022

Caroline and I would be delighted if you were able to join us at one – or more! – of our musical evenings at New House this year.

In May we combine the Venables piano quintet and the perhaps better known Elgar piano quintet, with principal players of the Orchestra of St John's; Howard Moody piano, Jan Schmolck violin, Jessica O'Leary violin, Roger Chase viola, John Heley cello

As usual, we hope that you will arrive for the concert at 5.30pm for a drink before the music starts at 6pm. Supper will be served after the concert – hopefully in the garden. Dress is black tie or formal equivalent.

Please reply by sending us by post or email the form below. Payment can be made by cheque to Robert Jackson or by bank transfer: please email Robert for details. Use your surname as reference.
